# ABOUT US

*Healing Action Network partners with survivors and the community to end commercial sexual exploitation. We do this through community awareness, client advocacy, and a comprehensive array of services. We fulfill our mission through two distinct programs.*

**Center for Survivors** – We provide trauma recovery services that include intensive service management, trauma therapy, individual and group peer support services, drop-in support center, and psychoeducation & trauma groups, and housing to adults who have experienced all forms of human trafficking and exploitation including, but not limited to, sex trafficking, sex work, stripping, escorting, pornography, and survival sex.

**Coalition Against Trafficking & Exploitation (CATE)** – CATE is a statewide coalition to prevent and respond to human trafficking and exploitation. Primary activities include workgroups, policy advocacy, research & data collection, and standards of care.

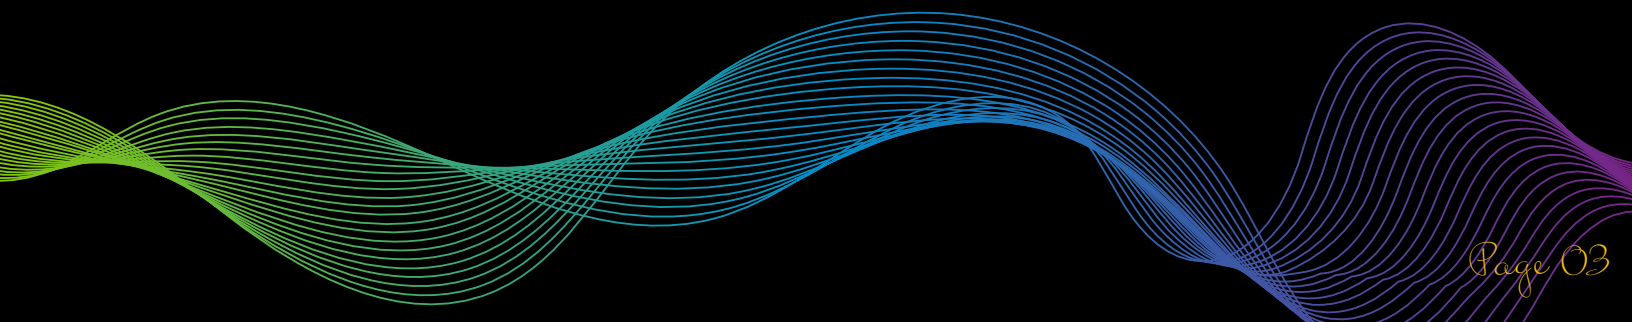

# OUR MISSION
